REQUEST FOR RECONSIDERATION UNDER 37 C.F.R. §1.116

To: The Commissioner of Patents and Trademarks  
Washington, D.C. 20231

Sir:

In response to the final office action, paper number 10,  
dated April 12, 2001, please enter the following:

R E M A R K S

Claims 1-17 are pending in the application. Re-examination  
and reconsideration are requested.

In the final office action, paper number 10, dated April 12,  
2001, the examiner again rejected claims 1-3 and 7-9 under 35  
U.S.C. §102(b) as being anticipated by either one of Matsunami,  
et al., U.S. Patent No. 5,022,725 (Matsunami) or Thomson, U.S.  
Patent No. 3,825,747 (Thomson). The examiner again rejected  
claims 4-6 and 10-17 under 35 U.S.C. §103(a) as being  
unpatentable over Matsunami or Thomson for the reasons stated in  
the office action.

Applicant believes that none of the currently rejected  
claims are anticipated by or obvious over the cited references  
and respectfully traverses the examiner's rejections for the  
reasons that will be set forth below. Entry of the remarks  
contained herein will also place the application in better  
condition for an appeal, should an appeal become necessary.
